“MARCH IS MEMBERSHIP MONTH” AT YOUR CHAMBER OF COMMERCE

What does the Chamber do?

- It's your business agent – committed to economic development
- It's your spokesperson – your voice at all levels of government
- It's your sales manager – sells our community, your products & services
- It's your information centre – education, business, development
- It answers your mail – act as ambassadors for our community
- It helps build your community – promotes business and community spirit
- It operates your Visitor Information Centre – encourage and support tourism

We have been working on community events such as Moonlight Madness, Fort St. James Gift Certificates, Thunder on Ice, Fishing Derby, Music Festival and more.

We have been pursuing educational opportunities such as PST seminar, Superhost, and our manager now has national certification as a Tourism Counsellor Trainer.

We have been working on economic development in the areas of co-generation, tourism, walking trail, networking, small business training and job creation.

We want to continue our efforts in the area of promotion through tradeshow, and marketing Fort St. James to the world. We want to improve our communications with our membership and look forward to working on the issues that matter the most to you.

We have reduced our membership fee schedule, to serve you better, and have included benefits to better serve not just business but individuals, groups and associations, anyone who is interested in the well being of Fort St James is encouraged to join the Chamber. Membership promotes your business and saves you money through many of our discount programs. Your membership allows our non-profit organization the ability to work for you and your business.

If it's important to your **Business**, it's important to your **Chamber**
